## Share a Message of Support!

Our health-care workers truly are heroes.! So is everyone who steps up to support them Sheep River Health Trust is deeply grateful to our community for banding together in so many meaningful ways through such challenging times. We've received so many messages of support for our heros. Each one has been shared and these messages continue to provide inspiration to our front line teams. If you would like to send a message to our Healthcare workers go to : [www.sheepriverhealthtrust.ca](http://www.sheepriverhealthtrust.ca)
